INTERNSHIP EXPERIENCES

MERNInternship- Connect Trainings2024

Gained practical experience creating full-stack web applications with MongoDB, Express.js, React, and Node.js during a MERN stack internship. created and refined responsive, dynamic apps with an emphasis on scalability and performance. - [Certificate](#)

AI Agent2024

Built an AI-powered agent leveraging Python, LangChain, and LLMs to perform automated research, data extraction, and contextual analysis. Designed modular tool integration and prompt engineering workflows for improved accuracy and efficiency.

PROJECTS

AR Learning App2024

The app's use of augmented reality is intended to improve early childhood education. A 3D model of an apple, for instance, emerges when the letter "A" is displayed, accompanied by the sound "A for apple." It's a fun and participatory method of teaching young children the alphabet.
Tech stack: Augmented Reality.

Landslide Prediction System using IoT& ML2025

Built a CRM for admission lead tracking with individual applicant monitoring, category-based pipelines, role-based access control, Cloudinary uploads, and a microservices-based architecture using RabbitMQ for reliable inter-service communication.
Tech stack: IoT & Hardware, Machine Learning

Smart Slipper for Foot Health Monitoring2025

Developed a Smart Slipper equipped with pressure, temperature, and vibration sensors to monitor foot health and detect abnormalities for diabetic and elderly users. Designed for real-time data analysis, comfort, and cost- effective preventive healthcare.
Tech stack: Embedded & Hardware, Data Processing & Machine Learning

ACHIEVEMENTS

- Leetcode - Solved 150+ problems | Contest rating – 1412+| 50 days badge| [profile](#)
- Hackerrank – 3 star in Python | 3 star in Java | 3 star in C | [profile](#)
- Skill Rack - Solved 240+ problems | [profile](#)
- Freshathon – Secured 3rd position by exposing project AR Learning App | [certificate](#) **Book Chapter**
- Publication - Co-Author in book chapter publication in IGI Global | [document](#)
- Second Prize – SmartX Hackathon held at Sengunthar College (National Level), competing among top team
